# REPORT OF THE School Board.

## CONDITION OF SCHOOLS.

### No. 1.

The spring term was taught by Miss Georgianna Webster of Kingston, N. H. We consider that the children all made commendable progress, and that Miss Webster kept an orderly and profitable school. Fall term was taught by Miss Frances Heath of Hampstead, N. H. Miss Heath proved herself an exceptionally strong teacher, both in teaching and discipline. We were much pleased with her work.

### No. 2.

The spring term was taught by Miss Ellen Christine Currier of East Kingston, N. H. We were very fortunate in being able to secure a teacher of the ability of Miss Currier. We are sure that all who have taken an opportunity to see her work in the school room have been well repaid for their trouble, and highly satisfied with the progress of the children.

Fall term was taught by Miss Alice M. Annis. She won the love and respect of her scholars almost immediately, and we feel well satisfied with her work.

### No. 3.

Spring term was taught by Miss Abbie C. Grover of Hampstead, N. H. This school has been under the instruction of Miss Grover for nearly three years. She has proved herself a faithful, earnest worker, and the children showed marked improvement under her care.

Fall term was taught by Miss Georgianna Webster. At the close of the term quite a number of the parents and friends visited the school, and all agreed that Miss Webster had taught a very successful term of school.
